Lot Owners or Residents may permit commercial trucks, commercial vans or other types of commercial vehicles to be parked on the property for periods in excess of four hours only between the hours of 8 a.m. and 8 p.m., only for purposes of construction, repairs, or deliveries, and only after providing notice to the Board as set forth herein. In the event that a commercial truck, commercial van or other type of commercial vehicle will be stored or parked on the driveway or any other portion of a Lot for longer than four hours for purposes of construction, repairs, or deliveries, the Lot Owner or Resident must provide prior written notice to the Board of the dates and times on which such commercial truck, commercial van or other commercial vehicle will be parked on the property and obtain the prior written consent of the Board of Directors to park on the Lot. The Board of Directors shall be the final arbiter of whether a vehicle falls within a category of prohibited vehicles.

4. Any vehicle which is deemed to be a nuisance by the Board of Directors shall be prohibited from being parked in the community. No vehicle of any kind which is required by applicable law to be registered and/or bear a current license plate shall be permitted in the Palmetto Pines community unless such requirements have been met except if such vehicle is kept within the confines of an enclosed garage with the door closed and is never parked elsewhere in the community. No inoperable vehicles are permitted to be parked in the community outside of the Owner's garage. Notwithstanding the foregoing, these parking restrictions shall not apply to government-owned vehicles parked in the community by residents.

#### **ARTICLE 14** **COMPLIANCE**

Each Lot Owner and Lot Owner's tenants, residents, occupants, guests, and invitees, must comply with the Bylaws, the Declaration, the Articles of Incorporation, and Florida Statutes governing homeowners associations and any rules of the Association adopted by the Board of Directors. Actions at law or in equity, or both, to redress alleged failure or refusal to comply with these provisions may be brought by the Association or by any member. Those violating the governing documents and the Owners of the Lots where such violator may be a resident, occupant, guest or invitee, shall be responsible to reimburse the Association for all costs and attorneys' fees incurred by the Association in pursuing enforcement. The Association shall be entitled to recover any and all reasonable attorneys' fees and costs incurred in its attempts to compel compliance with the community's governing documents including attorneys' fees and costs incurred prior to litigation, in mediation, during litigation, in attorney fee determinations or disputes, or other action, up to and including the appellate process. Attorneys' fees and costs incurred by the Association in seeking compliance by a Lot owner, tenant, resident, occupant, guest or invitee with the provisions of these Bylaws, the Declaration, the Articles of Incorporation, or Florida Statutes governing homeowners associations, including attorneys' fees and costs incurred prior to litigation, in mediation, during litigation, in attorney fee determinations or disputes, or other action, up to and including the appellate process shall be payable by the Lot Owner and secured by a lien against the Lot Owner's Lot and collectible in the same manner as a lien for unpaid assessments. In the event that the Association is not the prevailing party in litigation against a Lot owner, tenant, occupant or guest in an action seeking compliance with the provisions of these Bylaws, the Declaration, the Articles of Incorporation, or Florida Statutes governing homeowners Associations, the prevailing party shall be entitled to recover reasonable attorneys' fees and costs incurred during the litigation as may be awarded by the Court.

Failure by the Association to enforce any covenant or restriction in the Bylaws, the Declaration, the Articles of Incorporation, the Florida Statutes governing homeowners associations or any rules of the Association adopted by the Board of Directors shall in no event be deemed a waiver of the right to do so thereafter. Invalidation of any provision of the governing documents of the community or the rules of the Association by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

## **ARTICLE 15**

### **ASSESSMENTS AND COLLECTION**

1. Assessments and installments on them which are not paid when due shall bear interest at the highest rate allowed by law until paid. Any assessment, installment or portions thereof not paid on within ten days from the date on which they are due, shall incur an administrative late fee in addition to such interest, in an amount not to exceed the greater of \$25 or 5 percent of each installment of the assessment for each delinquent installment.

2. Annual and special assessments levied by the Board of Directors, together with late charges, interest, attorneys' fees and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which such assessment is made and shall also be the personal obligation of the person or persons who were the Owners of such Lot on the date on which the assessment was levied. Any subsequent purchaser shall be jointly and severally liable to the Association for any sums unpaid upon the transfer of title. In addition to sums due upon the date of recording of the lien, the lien of the Association shall also secure any assessments, late charges, interest, attorneys' fees and costs which come due after the recording of the claim of lien up through the date of the issuance of a certificate of title following a foreclosure sale.

3. Any payment received by association shall be applied first to any interest accrued by association, then to any administrative late fee, then to any costs, then to any attorney's fees incurred in collection, and, finally, to the delinquent assessment. The foregoing shall be applicable notwithstanding any restrictive endorsement, designation, or instruction placed on or accompanying a payment.

4. The Association shall be entitled to recover any and all reasonable attorneys' fees and costs incurred in its attempts to collect monetary obligations due to the Association including attorneys' fees and costs incurred prior to litigation, in mediation, during litigation, in attorney fee determinations or disputes, or other action, up to and including the appellate process.

**ARTICLE 16**  
**INDEMNIFICATION**

The Association shall indemnify its directors and officers against all costs, expenses and liabilities, including attorney and paralegal fees at all trial and appellate levels and post judgment proceedings, reasonably incurred by or imposed upon him/her in connection with any negotiation, proceeding, arbitration, litigation or settlement in which the officer or director becomes involved by reason of being or having been a director or officer of the Association. This provision for indemnification shall apply whether or not such person is a director or officer at the time such cost, expense or liability is incurred. In the event that a director or officer admits or is adjudged guilty of willful misfeasance or malfeasance in the performance of his/her duties, the indemnification provisions of this Article shall not apply. The right of indemnification set forth in this Article shall be in addition to and not exclusive of any rights of indemnification to which a director or officer of the Association may be entitled under statute or common law.
